

RUSH VIP PROJECT

Do you have the common symptoms of an overactive bladder?

Take this test and give it to your doctor to discuss your problem and treatment options.

If you are experiencing any of these symptoms, you may have an overactive bladder. Your doctor can diagnose your bladder control problem and tell you about treatment options.

	YES	NO
Do you have to urinate 8 times or more in a 24-hour period?	[]	[]
Do you often have strong, sudden urges to urinate?	[]	[]
Do you have accidents before getting to the bathroom?	[]	[]
Do you get up 2 or more times at night to urinate?	[]	[]
Do you wear pads because you're unable to make it to the bathroom?	[]	[]
