

 **RUSH**
Rush Copley Medical Center
Legacy Society

Rush Copley Medical Center is a non-profit health care provider committed to serving our community. Gifts from community members and friends like yourself have a significant impact on our ability to live our Promise of providing extraordinary patient care each and every day. Specifically, philanthropy has helped Rush Copley acquire sophisticated technologies and provide programs in many areas of care, including cancer care and neuroscience. Donors have also been instrumental in extending our reach into the community where lack of health insurance or financial means has kept patients from seeking care.

The **Legacy Society** is a special group of friends who have arranged a planned gift to support Rush Copley Medical Center or one of its many programs. Rush Copley provides membership in the Legacy Society to recognize the extraordinary commitment of these individuals and to express our appreciation for their thoughtful generosity.

Membership includes:

- Invitation to annual Legacy Society luncheon.
- Invitation to bi-annual donor appreciation cocktail reception.
- Discount at the Rush Copley Glass Promenade Gift Shop.
- Recipient of special Rush Copley mailings, announcements, and invitations.
- Recognition in the Legacy Society section of the Rush Copley Foundation website.
- Legacy Society membership gift.

Making any type of planned gift benefitting Rush Copley qualifies one for membership into the Legacy Society. Donors need not reveal the amount or give copies of the legal papers. The only requirement is to complete a membership form. And, of course one can always choose to join and remain anonymous.
