

Free Cell Phone Lot

Rush is offering a free cell phone lot within five minutes of campus for caregivers or drivers to wait in their car during a patient visit. The lot will be monitored by a parking attendant. There is no charge to use this lot, but someone must remain with the vehicle at all times. When the visit is complete, the patient can call for pickup at the circle drive in front of the Professional Office Building or the hospital entrance.

Cell Phone Lot Location:
231 S Wood Street
(Ogden Wood Lot)

Restrooms are available for use at Rush Triangle Office Building – 1700 W. Van Buren Street
