Disclosure of Physician Employment Status

Thank you for choosing Rush Copley Medical Center/Copley Memorial Hospital for your health care needs. Because you may receive medical services from unfamiliar or unseen physicians, it is important you understand the employment status of these physicians. Physicians are either employed by the hospital or they are independent physicians. Independent physicians have been granted privileges to use the hospital’s facilities for the care and treatment of their private patients; they are not employees.

Independent Hospital-Based Physician Groups: Physicians providing Emergency Medicine, Neonatology, Radiology/Imaging, Anesthesiology/Pain Management, Maternal-Fetal Medicine, Pelvic Medicine, Intensive Care, Cardiothoracic and Vascular Surgery, Dialysis, and Pathology medical services are **NOT** agents or employees of Rush Copley Medical Center, Inc., Rush Copley Medical Group NFP or Copley Memorial Hospital, Inc., but are, instead, employees, contractors, or agents (including locum tenens) of one of the following independent medical groups: **Aurora Emergency Physicians, LLC** (Emergency Medicine); **Rush University Medical Group** (Maternal-Fetal Medicine and Neonatology); **Illinois Urogynecology, Ltd.** (Pelvic Medicine and Urogynecology); **Valley Imaging Consultants, LLC** (Radiology); **Guardian Anesthesia Associates, SC** (Anesthesia/Pain Management); **Sound Physicians** (Intensive/Critical Care); **Cardiothoracic & Vascular Surgical Associates, SC** (Cardiovascular/Vascular Surgery); **Fox Valley Acute Dialysis Services Company/Fox Valley Dialysis, Ltd.** (Dialysis services); or **Pathology Associates of Aurora, LLC** (Pathology). You will receive a separate bill from these groups.

Employed Physicians: Only the physicians listed below are employees of Copley Memorial Hospital, Inc.
