

# The Rush Employee Assistance Program Helps You Take Care of Life's Matters

The **Rush Employee Assistance Program** (EAP) is a support hub that provides you and your family access to information, education, counseling and resources to help you take care of life's matters.

## Free, Confidential Services

The Rush EAP provides you a single point of contact — a real person answers your call 24/7.

Initial services are free. Longer-term services may be free, discounted or have a cost. The EAP counselor will explain your options.

The Rush EAP protects your privacy. No personal information is ever shared with Rush.
