Rush Copley Medical Center

Dear Patient/Guarantor:

You are requesting an evaluation for free or discounted care under Rush Copley Medical Center's Financial Assistance/Charity Care program for your hospital bill(s). Consideration for assistance will be based on your financial status in comparison with the Income Guidelines as set forth by the US Department of Health and Human Services, published annually in the Federal Register.

Important: YOU MAY BE ABLE TO RECEIVE FREE OR DISCOUNTED CARE: Completing this application will help Rush Copley Medical Center determine if you can receive free or discounted services or other public programs that can help pay for your healthcare. Please submit this application to the hospital.

IF YOU ARE UNINSURED, A SOCIAL SECURITY NUMBER IS NOT REQUIRED TO QUALIFY FOR FREE OR DISCOUNTED CARE. However, a Social Security Number is required for some public programs, including Medicaid. Providing a Social Security Number is not required but will help the hospital determine whether you qualify for any public programs.

Please complete this form and submit it to the hospital in person, by mail, by electronic mail, or by fax to apply for free or discounted care within 240 days following the date of discharge or receipt of outpatient care.

Patient acknowledges that he or she has made a good faith effort to provide all information requested in the application to assist the hospital in determining whether the patient is eligible for financial assistance.

Attach and submit the following backup information:

- **Most recent Federal and State Income Tax Return forms**
- **Two most recent paycheck or unemployment check stubs or a written statement of earnings from your employer for the previous two (2) months**
- **Forms approving/denying unemployment, workers compensation or assistance from the Department of Public Aid**
- **Statement of monthly benefits for Social Security or denial of benefits from Social Security**
- **Checking and Savings accounts statements from the previous two (2) months.**

All other sources of payment must be exhausted before financial assistance can be considered. Examples of other sources of payment include: all medical insurance, third party payers and liability claims, workman's compensation or other public programs.

If you are unable to provide any of the requested information, please attach a NOTARIZED letter explaining the details. If you are currently unemployed, please include the date you left employment, why you left, and the date you plan on returning to work.

If you meet the presumptive eligibility criteria defined in the regulations or because of your family income, you are not required to provide monthly expense information or estimated expense figures.

If you need help or for more information, please contact the Rush Copley Medical Center Patient Financial Services Department at 630-978-4990 during normal business office hours of 8:00 am to 5:00 pm, Monday through Friday.
