The Rush and COFI staff would like to express our gratitude for your wonderful and thoughtful contributions to the **2023 BRIDGES Healing Together Family Fair** that took place this Saturday the 26th of August. What an amazing team effort, thank you all!

- 12 partners/teams provided resources and wares!
- We provided baby wipes, diapers, clothes (donated by Share our Spare) and safe sleep kits (donated by Lurie's) to ~25 attendees
- 30 TopBox Foods boxes donated via the Community Health Equity and Engagement office at Rush
- Great fun and connections!

We are so grateful to work alongside dedicated partners who share the goal of improving the wellbeing of our communities by connecting families to support for social needs, building supportive relationships, and removing barriers to care.

El personal de Rush y COFI quisiera darles las gracias por sus maravillosas y reflexivas contribuciones a la **Feria Familiar de BRIDGES 2023 Curándonos Juntos**, que tomó lugar el sábado 26 de agosto. Qué increíble esfuerzo de equipo, ¡gracias a todos!
