# Now, a new, easier way to
# Report Your Illness!

Reporting illness symptoms just got easier through a new, secure, symptom reporting tool. The link to the tool will be posted on your unit and also available on the RUSH Copley Jump Page and the Employee Portal.

## 1.
**Access the redcap.link/reportsymptoms or QR code to open the Symptoms**

## 2.
**Fill out and submit your symptoms. Employee Health will email you a return-to-work guide, providing specific instructions on how to return to work.**

## 3.
**Once you have met the criteria, use the link on the guide to complete and submit the Return to Work Attestation.**

You are now clear to return to work. **Easy as 1-2-3!**
