## Supportive Services for Veteran Families Program (SSVF) at **Volunteers of America - Illinois**

2.07 miles

For very low-income Veterans, SSVF provides case management and supportive services to prevent the imminent loss of a Veteran's home or identify a new, more suitable housing situation for the individual and his or her family; or to rapidly re-house Veterans and their families who are homeless and might remain homeless without this assistance.

Section 604 of the Veterans' Mental Health and Other Care Improvements Act of 2008, Public Law 110-387, authorized VA to develop the SSVF Program. Supportive services grants have been awarded to selected private non-profit organizations and consumer cooperatives that will assist very low-income Veteran families residing in or transitioning to permanent housing. Grantees will provide a range of supportive services to eligible Veteran families that are designed to promote housing stability.
