

Virtual Vaccination Card

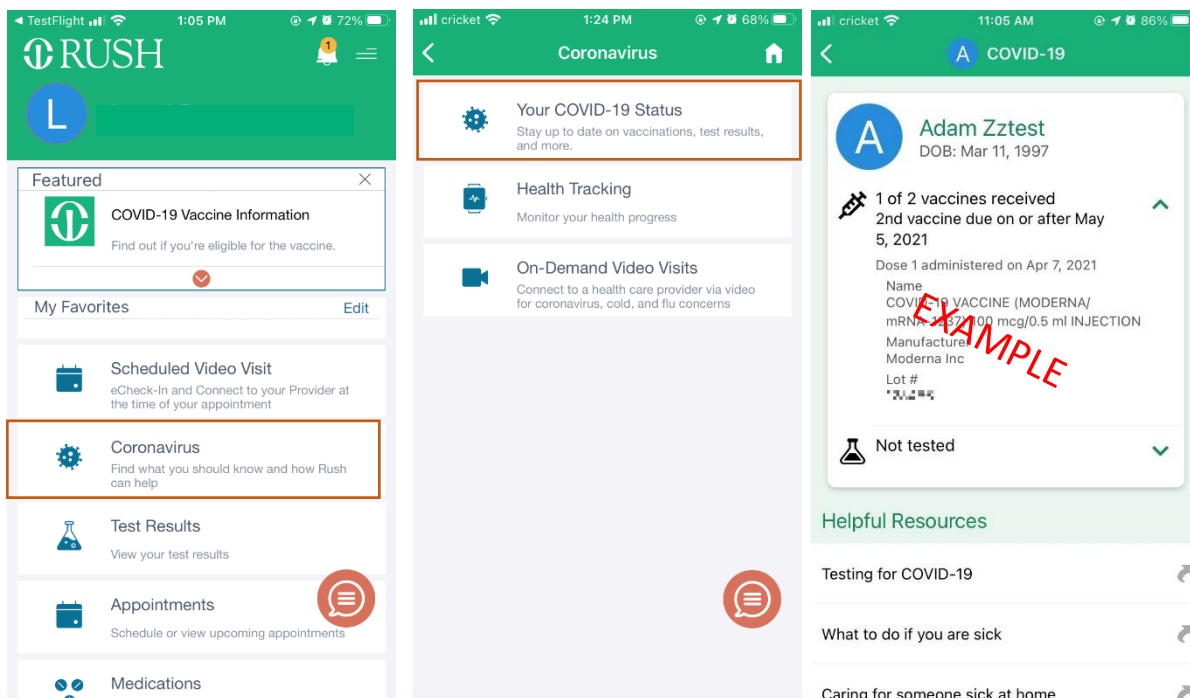

You can now view an electronic version of your COVID-19 vaccination card in your MyChart account and the My Rush app. If you're using the My Rush app, make sure you have the latest version.

How to access MyChart:

- **If you've ever been a Rush patient and already have a MyChart account**, you can login and follow the steps below to view your virtual vaccination card. If needed, reset your credentials at mychart.rush.edu. Your MyChart credentials will also work with the My Rush app.
- **If you don't have a Rush MyChart account**, use the link in your scheduling email to create an account or call (312) 563-6600 to set up your account.
- **If you're unsure about whether you have a MyChart account**, please call (312) 563-6600 to establish your account status.

How to view your virtual vaccination card:

1. In the My Rush app, click on Coronavirus.
2. Click on Your COVID-19 Status.
 - a. On your computer, navigate to Menu > My Record > COVID-19.
3. Your COVID-19 page will show all of your COVID-19 test results from Rush as well as information about the vaccine you received.

Get Started

Download the My Rush app to get started, available in the App Store or Google Play:
